

# David Brown

My name is David Brown and I am going into my senior year at NRHS. I have lived in the town and have been involved in Parks and Rec my entire life.

I have played soccer and run track for the past 3 years at the high school. I also enjoy other sports, the outdoors, history, and animals. In college, I plan to study secondary education and hope to be a middle or high school history teacher.

I have been a counselor for the past year at K.C. and before that, I was a CIT for 2 years. I hope to have a fun summer this year with your kids!
